1635 The Saxon Uprising N A - costamagarakis.com

A continuation of 1635: The Eastern Front, this is the tale of overreach, greed and a desire to return to old ways meeting up with public enthusiasm and desire for change that results in less carnage than forecast due to restraint on several characters' actions. The title is a bit misleading in that the Saxons did not rise up, rather repression came down upon them.

Rome, 1635, and Grantville's diplomatic team, headed by Sharon Nichols, are making scant headway now it has become politically inexpedient for Pope Urban VIII to talk to them anymore. Sharon doesn't mind, she has a wedding to plan. Frank Stone has moved to Rome and is attempting to bring about the revolution one pizza at a time.

1636: The Saxon Uprising - Snippet 03 - Eric Flint

The Latest Novel in the New York Times Best-Selling Series. Eric Flint, the Reigning Master of Alternate History, Continues the Exciting Story Arc Begun in 1635: The Eastern Front. The West Virginia town of Grantville, torn from the twentieth century and hurled back into seventeenth century Europe has allied with Gustavus Adolphus, King of Sweden, in the United States of Europe. So, when Gustavus invades Poland, managing to unite all the squabbling Polish factions into repelling the common enemy, the time-lost Americans have to worry about getting dragged into the fight along with the Swedish forces. But Mike Stearns has another problem. He was Prime Minister of the USE until he lost an election, and now he ’ s one of Gustavus ’ s generals; and he has demonstrated that he ’ s very good at being a general. And he ’ s about to really need all his military aptitude. Gretchen , who never saw a revolution she didn ’ t like, has been arrested in Saxony, and is likely to be executed. The revolutionary groups which she has been working with are not about to let that happen, and suddenly there ’ s rioting in the streets. Saxony ’ s ruthless General Baner is determined to suppress the uprising by the time-honored "kill them all and let God sort them out " method, which only adds fuel to the fire. So Gustavus orders Mike Stearns to go to Saxony and restore order. But he makes one mistake. He didn ’ t tell Mike to take his troops along on the mission. But he didn ’ t tell him not to, either ... Praise for the New York Times Best-Selling Series: " ... gripping and expertly detailed ... a treat for lovers of action-SF or alternate history ... battle scenes depicted with power ... distinguishes Flint as an SF author of particular note, one who can entertain and edify in equal, and major, measure. " —Publishers Weekly (in a starred review) " [This] alternate-history saga ... is certainly a landmark in that subgenre. ... A splendid example of character-centered alternate-history, this is a must read for its series' growing fandom. " —Booklist (Starred Review) " ... takes historic speculation to a new level in a tale that combines accurate historical research with bold leaps of the imagination. Fans of alternate history and military sf should enjoy this rousing tale of adventure and intrigue. " —Library Journal " This alternate history series is already one of the best around and each new entry appears better than the previous one, a seemingly impossible feat ... terrific. ... " —The Midwest Book Review

A new addition to the four-time New York Times best-selling Ring of Fire series. After carving a place for itself among the struggling powers of 17th century Western Europe, the "out-of-time " modern town of Grantville, West Virginia must fight for its life against Dark Age domination. Alternate history master Eric Flint returns in top form with an epic addition to the multiple New York Times best selling Ring of Fire series. A cosmic accident sets the modern town of Grantville, West Virginia, down in war-torn seventeenth century Europe and a new nation is forged. Now when United States of Europe ally King Gustavas of Sweden invades Poland, the U.S. of E. is dragged into a full-scale European war against ruthless opponents. Meanwhile Mike Stearns, wily and courageous leader of the up-time West Virginians, has been turned out of office in an election. But, like Churchill (before and after him) Stearns is not done yet. He ’ s determined to stoke the fires of democratic rebellion in Saxony near the main front, and thus keep the young nation he founded, and once led, out of the hands of medieval tyrants–tyrants who would like nothing better than to wipe those troublesome upstarts from the future off the timeline and go back to the bad old days of oppression and serfdom. About Eric Flint ’ s Ring of Fire series: " This alternate history series is...a landmark... " —Booklist " [Eric] Flint's 1632 universe seems to be inspiring a whole new crop of gifted alternate historians. " —Booklist " ...reads like a technothriller set in the age of the Medicis... " —Publishers Weekly " ...each new entry appears better than the previous one, a seemingly impossible feat...terrific. " —Midwest Book Review " [C]ombines accurate historical research with bold leaps of the imagination. " —Library Journal

The West Virginia town of Grantville, torn from the twentieth century and hurled back into seventeenth century Europe has allied with Gustavus Adolphus, King of Sweden, in the United States of Europe. AMERICAN FREEDOM AND JUSTICE VS. THE TYRANNIES OF THE SEVENTEENTH CENTURY The new government in central Europe, called the Confederated Principalities of Europe, was formed by an alliance between Gustavus Adolphus, King of Sweden, and the West Virginians led by Mike Stearns who were transplanted into 17th-century Germany by a mysterious cosmic accident. The new regime is shaky. Outside its borders, the Thirty Years War continues to rage. Within, it is beset by financial crisis as well as the political and social tensions between the democratic ideals of the 20th-century Americans and the aristocracy which continues to rule the roost in the CPE as everywhere in Europe. Worst of all, the CPE has aroused the implacable hostility of Cardinal Richelieu, the effective ruler of France. Richelieu has created the League of Ostend in order to strike at the weakest link in the CPE's armor—it's dependence on the Baltic as the lifeline between Gustav Adolf's Sweden and the rest of his realm. The greatest naval war in European history is about to erupt. Like it or not, Gustavus Adolphus will have to rely on Mike Stearns and the technical wizardry of his obstreperous Americans to save the King of Sweden from ruin. Caught in the conflagration are two American diplomatic missions abroaRebecca Stearns' mission to France and Holland, and the embassy which Mike Stearns sent to King Charles of England headed by his sister Rita and Melissa Mailey. Rebecca finds herself trapped in war-torn Amsterdam; Rita and Melissa, imprisoned in the Tower of London. And much as Mike wants to transport 20th-century values into war-torn 17th-century Europe by Sweet Reason, still he finds comfort in the fact that Julie, who once trained to be an Olympic marksman, still has her rifle ... At the publisher's request, this title is sold without DRM (Digital Rights Management).

The most current and complete guide to a favorite teen genre, this book maps current releases along with perennial favorites, describing and categorizing fantasy, paranormal, and science fiction titles published since 2006. • Encompasses a wide selection of speculative fiction genres to suit a broad spectrum of readers in grades 6–12 • Identifies award-winning titles, grade levels, book club potential, and alternative media formats and provides complete bibliographic information for each title • Includes interviews with prominent authors that convey the perspectives of the creators of the worlds into which readers are drawn • Covers some children's literature and some adult novels that are popular with young adults • Offers a detailed subject index with an extensive number of access points

The gold standard for readers' advisory, this book represents an essential resource for LIS students and practicing librarians who want to better understand readers, reading interests, and fiction and nonfiction genres.

The battle between democracy and tyranny is joined, and the American Revolution has begun over a century ahead of schedule. A cosmic accident has shifted a modern West Virginia town back through time and space to land it and its twentieth century technology in Germany in the middle of the Thirty Years War. History must take a new course as American freedom and democracy battle against the squabbling despots of seventeenth-century Europe. Continuing the story begun in the hit novels 1632 and 1633, the New York Times best-selling creator of Honor Harrington, David Weber, the best-selling fantasy star Mercedes Lackey, best-selling SF and fantasy author Jane Lindskold, space adventure author K. D. Wentworth, Dave Freer, co-author of the hit novels Rats, Bats & Vats and Pyramid Scheme (both Baen), and Eric Flint himself combine their considerable talents in a shared-universe volume that will be a "must-have" for every reader of 1632 and 1633.

Eric Flint ’ s acclaimed 1634: The Galileo Affair was a national bestseller from one of the most talked-about voices in his field. Now, in this extraordinary new alternate history, Flint begins a dramatic saga of the North American continent at a dire turning point, forging its identity and its future in the face of revolt from within, and attack from without. In the War of 1812, U.S. troops are battling the British on the Canadian border, even as a fierce fight is being waged against the Creek followers of the Indian leader Tecumseh and his brother, known as The Prophet. In Europe, Napoleon Bonaparte ’ s war has become a losing proposition, and the British are only months away from unleashing a frightening assault on Washington itself. Fateful choices are being made in the corridors of power and on the American frontier. As Andrew Jackson, backed by Cherokee warriors, leads a fierce attack on the Creek tribes, his young republic will soon need every citizen soldier it can find. What if—at this critical moment—bonds were forged between men of different races and tribes? What if the Cherokee clans were able to muster an integrated front, and the U.S. government faced a united Indian nation bolstered by escaping slaves, freed men of color, and even influential white allies? Through the remarkable adventures of men who were really there—men of mixed race, mixed emotions, and a singular purpose—The Rivers of War carries us in this new direction, brilliantly transforming an extraordinary chapter of American history. With a cast of unforgettable characters—from James Monroe and James Madison to Sam Houston, Francis Scott Key, and Cherokee chiefs John Ross and Major Ridge—The Rivers of War travels from the battle of Horseshoe Bend to the battle of New Orleans, and brings every explosive moment to life. With exquisite attention to detail, an extraordinary grasp of history, and a storyteller ’ s gift for the dramatic, Flint delivers a bold, thought-provoking epic of enemies and allies, traitors and revolutionaries, and illuminates who we are as a nation, how we got here, and how history itself is made—and remade.

A third volume in the series of anthologies based on the saga that began in 1632 describes life for the inhabitants of Grantville, an American town from West Virginia that finds itself hurtled back in time and into the middle of the Thirty Years War, as they struggle to incorporate their advanced technology and modern-day culture into the seventeenth century.

Fight for Freedom in a Dark and Bloody Age! After a cosmic accident sets the modern West Virginia town of Grantsville down in war-torn seventeenth century Europe, the United States of Europe is forged in the fire of battle. The Baltic War reaches a climax as France, Spain, England, and Denmark besiege the U.S.E. in the Prussian stronghold of Lubeck. The invention of ironclads, the introduction of special force tactics

during a spectacular rescue operation at the Tower of London \_ the up-timers plan to use every trick in the time traveler's book to avoid a defeat that will send Europe back to a new Dark Age! Multiple New York Times best-seller and creator of the legendary "Honorverse" series David Weber teams with New York Times best-selling alternate history master Eric Flint to tell the tale of the little town that remade a continent and rang in freedom for a battle-ravaged land in the latest blockbuster addition to Flint's "Grantsville" saga! At the publisher's request, this title is sold without DRM (Digital Rights Management). "This is a thoughtful and exciting look at just how powerful are the ideals we sometimes take for granted, and is highly recommended[.]" ¼ Publishers Weekly on Flint and Weber's 1633. "[R]eads like a Tom Clancy techno-thriller set in the age of the Medicisâ" ¼ Publishers Weekly on New York Times best-seller, 1634:\_ The Galileo Affair.
